

Our College is called **ROC** because we want everyone to

have the opportunity to learn and be independent.

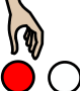

At **ROC** we want students to learn and have fun!

Pathways

 At **ROC** we have 5  Pathways; each Pathway is  different and 

 has things that are special about it. You can  change  Pathways as  you

 learn  and make  choices about  your  future.

Opportunities Pathway

is for students who are learning

how to communicate better, make choices and be

independent.

Bridging Pathway

is for students who are learning to be

independent, be part of the community and about

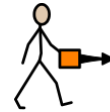

working together on projects.

Employability Pathway is for students who are learning about

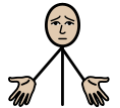

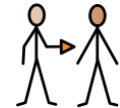

=

what work is like through being in the community, taking part

+

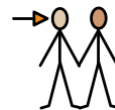

in Work Experience and learning about the skills you need

in a job.

Work Ready Pathway is for students who want to work but

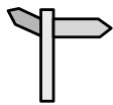

need to practice the skills they will need in the workplace.

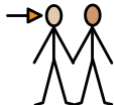

The Supported Internships Pathway are for students who

know

where

they

would

like

to

work

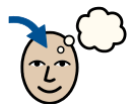

but

need

help

to learn

how to

do

the

job.

Supported

Interns

learn

in the

workplace

so the

students

learn

the

job

by

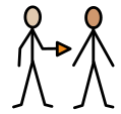

doing

it!

Therapy.

At **ROC** we also have Therapists who can help you in

different ways. We have a Speech & Language Therapist, an

Occupational Therapist, a Physiotherapist, a Counsellor

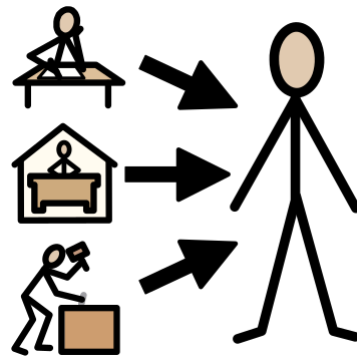

and an Art Therapist.

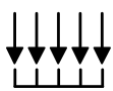

Community

and

Work Experience

All

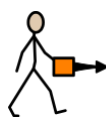

students

at

ROC

will

take

part

in

activities

in the

Community.

Some

students

will

go

on

visits;

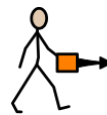

some

students

will

take

part

in

projects

and

some

students

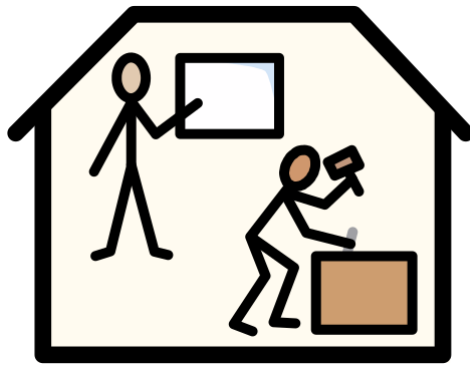

will

do

Work Experience.

College

Life

We  fundraise for  local  charities, we have  discos, we  go

on  Residential  and we have a  Prom!

We  introduce students to  people who  can  help  them

in the future.

Our  Student  Council  helps  young peoples  voices  be heard in the

Community.
